

## Hokuden Elevator Repair Work

This is to notify that at Shuriyo Castle Park, the elevator located in the Hokuden will be undergoing work, and a new elevator will be placed to enhance safety and function.

During the period of repair work, the elevator at Hokuden will not be available for use, but there will be a mobile wheelchair device for ascending and descending the stairs to accommodate our visitors requiring an elevator. Our staff will be glad to assist you, so please let us know when you need us.

We are sorry for any inconvenience this may cause, and appreciate your patience and cooperation.

We will keep you informed of any changes or updates as necessary.
