Station to Shurijo Castle Park

This information shows our Recommended Route to the Shureimon, the starting point in visiting the Shurijo Castle.

1. After exiting the ticket gate at Shuri Station, head to the South Exit (to your left).

2. Go down the stairs (or on the elevator) and proceed straight toward the Torihori Intersection.

3. Cross the street at Torihori Intersection and continue straight.

4. Turn right at the Bank of The Ryukyus, Shuri Branch, located at the end of the street.

5. Continue straight as you pass Inumo Park and the Shuri Koban (police box) to your left.
*Entering Inumo Park will take you off our Recommended Route.

6. Continue past the Lawson on your left, and proceed straight across the Tonokura Intersection.
*Turning left at the Tonokura Intersection will take you off our Recommended Route.
(You will reach the back of Shureimon.)

7. You will see the Ryutan Ike (Pond) on your left.
With the Shurijo Castle in the distance behind the Ryutan Pond, this is a great photo location!
You're almost at Shurijo Castle Park!

8. Go past Ryutan Pond and turn left at the Ikehata Intersection. You will see a sign, Shurijo Castle Park, overhead to the right.

9. Proceed up the gentle slope, turn left at the Shurijo-mae three-way, and you've reached Shurijo Castle Park!

10. Look for the large rock inscribed Shurijo Castle Park.

11. The building with the red post box at the entrance is the Shurijo Castle Park Rest Center, the Suimuikan. There are washrooms, a rest area available free of charge, and a café and restaurant. Please feel free to drop by for a break before starting your stroll through the park.

Pick up a pamphlet at the General Information (or at the facility) and start your tour of Shurijo Castle!

Please take your time and enjoy the Shurijo Castle Park.
