

Construction Work for Restoring the Area around Shurei-mon Gate

At Shurijo Castle, we will carry out the following construction work for restoring the historical environment in the area around Shurei-mon Gate.

- (1) Improvement of Madama-michi
- (2) Relocation of Kokuo Shotoku-hi and Madama-minato Hibun
- (3) Improvement of Ayajo Ufumichi

During the period of the construction work, there will be partial restrictions on paths in the park for installation of guard fences and tarps. We apologize for the inconvenience and request your understanding and cooperation.

We will inform you as needed regarding any changes and relevant details.
