

## Wedding photo shoots at Shurijo Castle Park

Thank you for your continuing support for Shurijo Castle Park. We would like to inform you that the following rules apply to wedding photo shoots at Shurijo Castle Park.

Wedding photo shooting as a business is not allowed within the area controlled by the Japanese government (the area within the castle walls).

As for the area controlled by the prefecture, wedding photo shoots for business purposes are allowed only if you apply for permission and only if it would not interfere with visitors.

[Please click here for application details.](#)

Please note that in the event our staff discovers any prohibited wedding photo shoots in progress, he/she will ask you to stop immediately.
